JUDGMENT

Ext.P2 is an order of transfer dated 27.11.2006. Aggrieved by Ext.P2, petitioner has already preferred Ext.P3 before the first respondent. Learned counsel for petitioner submits that in fact there is another vacancy to which the petitioner can be accommodated. He submits that petitioner will file a further representation within one week from today before first respondent. Heard the learned Government Pleader also. The Writ Petition is disposed of directing first respondent to consider and take a decision on Ext.P3 in accordance with law, within a period of three weeks from the date of receipt of a copy of this Judgment. If the petitioner files a representation pointing out existence of vacancy where he could be appointed, within a period of one week from today before the first respondent, a decision will be taken in accordance with law, taking note of the said representation also, within a period of three weeks from the date of receipt of a copy of the representation.
